ENTREPRENEURSHIP WORKSHOP

C A S E- centre for advancement of social entrepreneurship will be conducting a series of workshops throughout the country aimed at spreading the entrepreneurial skills and knowledge amongst the youth especially from the rural, urban, semi-urban and vulnerable areas.

Project Outcome

The project aims to increase the household income of the 20 participants who are selected to the Business Plan Writing Lab by 20%. The participants in each area are organized into self help groups to support each other in their economic endeavors and to share best-practices and information.
